12 Emily Ratajkowski is more than just tits

You can put a whore in movies, but you can't put movies in whores, I mean I guess you could with enough lube if they were in DVD form...but you get what I'm saying...she's crying for attention..."LOOK AT HER "...that's what she wants...

22 Romee Strijd in a bikini

I've never heard of Romee Strijd, apparently she's a well known Victoria's Secret model, so I don't know where I've been hiding, in my drunken stupor...probably in a ditch somewhere, fucking some fat prostitute for very affordable rates...because I wouldn't be fucking an expensive prostitute.. that would just be crazy...

34 Yara Khmidan for san lorenzo swimwear

Yara Khmidan is some Ukrainian model....which means she escaped the war torn fate of being a sex worker on a cam site, or shot by Russians, while working with low level porn producer for discount wages, because it makes more money than Lawyers do back home....

Yara Khmidan is some Ukrainian model....which means she escaped the war torn fate of being a sex worker on a cam site, or shot by Russians, while working with low level porn producer for discount wages, because it makes more money than Lawyers do back home....

I guess she's tall, I know she has an amazing ass, and here she is in boring bikini photoshoots for a company that makes bikinis for tweens...which isn't weird on the beach while swimming, but is fucking weird on their ecommerce page of their website...

That's all I have to say about that...and it is about as interesting as my insight into this Ukrainian gets...

Big, bold, beautiful advertising that works.

While the rest of the industry is focused on standard ads, we obsessed over creating ads that work. So we built our own and tested, iterated, and focused on data. The result? Our unique ads perform 15x above the industry average. They perform. And they scale.

A full-page photograph of Emily Ratajkowski. She is wearing a blue lace bodysuit with a deep V-neckline and a ruffled waistband. Her hair is long and wavy, and she is looking directly at the camera with a slight smile. The background is a plain, light-colored wall.

EMILY RATAJKOWSKI

IS MORE THAN JUST TITS

Emily Ratajkowski is an instagram model who scammed her way into a couple of movies even though she can't act..where she pretty much played herself and the producers either wanted to fuck her when she was at her peak... and gave her the part they new required no talent..but she's mainly an instagram model...

That's not to say she doesn't have a great body, even if the authenticity of her body, and I guess her lips are questionable... she obviously does, but it's to say so many girls followed her lead and are doing what she does, making her a lot less interesting that when she started getting naked in photoshoots...

Meaning, she's on the decline, and she knows it, but I guess she's been working on her ass, thinking "Maybe this body part will open some doors"...that will lead to her opening up her legs and / or spreading said ass for any job she can get...because no one likes to HIT big and hard...and dissipate to no one gives a fuck...since no one gives a fuck about anything these days...but bikini pics still get semi-noticed...so keep up the good hustle...it's this type of bottom feeding and laziness that will end up with a sex tape...fingers crossed

You can put a whore in movies, but you can't put movies in whores, I mean I guess you could with enough lube if they were in DVD form...but you get what I'm saying...she's crying for attention..."LOOK AT HER "...that's what she wants...

I guess what I am saying, since I don't mind looking at her body, and really have seen her entire career as the first site to really post her photoshoots, even though she's unappreciative.... is that I hope for her case that the next movie she does is critically acclaimed and her performance is brilliant..It's called "CRUISE" and is by the guy who did "The Wrestler"...because she's at the make it or break it...fade into old, played out Lohan status...because people get bored...even looking at ass in a bikini...

A full-page photograph of a woman with long, wavy blonde hair and blue eyes. She is wearing a white, sleeveless, knee-length dress with a lace hem and a long necklace with a dark bead. She is holding a small brown bag in her right hand and has her left hand near her head. The background is a blurred beach scene with waves.

ROMEE STRIID

IN A BIKINI

I've never heard of Romee Strijd, apparently she's a well known Victoria's Secret model, so I don't know where I've been hiding, in my drunken stupor...probably in a ditch somewhere, fucking some fat prostitute for very affordable rates...because I wouldn't be fucking an expensive prostitute..that would just be crazy...

But not as crazy as this model's ass....

Admit...you liked how I tied all this together, it's only taken me 10 years to master the artform of stupid fucking blog posts about random model bitches...I want to get pregnant.

QUITE SIMPLY, IT'S THE MODERN MAN'S GUIDE TO LIVING

WOMEN, CARS, GADGETS, SPORTS, ENTERTAINMENT, AND THE KNOW

A woman with long, wavy brown hair is posing outdoors. She is wearing a one-piece swimsuit with a vibrant, multi-colored pattern of leopard spots, geometric shapes, and abstract designs in shades of blue, green, yellow, and red. The swimsuit has black straps and a black band across the chest. She is leaning against a white wooden fence, with her right arm raised and hand near her head. To her right, a rustic-style lantern with a dark metal frame and glass panels is mounted on the fence. The background is a soft-focus green, suggesting foliage. The overall mood is relaxed and summery.

THE GOOD LIFE.

W-HOW TO GET AHEAD IN THE WORLD.
